

No. K11053/47/2021-LH Part I
Government of India
Ministry of Fisheries, Animal Husbandry & Dairying
Department of Animal Husbandry & Dairying

Krishi Bhawan, New Delhi
Dated 8th June, 2022

OFFICE MEMORANDUM

Sub: Importation of Exotic Pathogen Strains for Manufacture of Livestock and Poultry Vaccines – Permission – reg.

In continuation of the OM of even number dated 28th March, 2022 on the subject cited above, I am directed to state that each and every application for importation of exotic pathogen/vaccine strain for manufacture of livestock and poultry vaccine will be examined in the Department with due procedure before import.

The conditions mentioned in the above-said OM are the pre-requisite conditions for import.

This has approval of the competent authority.

(Aruna Sharma)
Deputy Commissioner (LH)
