ADVANCED DAIRYING TECHNOLOGIES
INTRODUCTION

1. Introduction

- The DAHD officials will register themselves from Admin end. Applicants will register themselves on the SUGAM portal of CDSCO. They can login on DAHD portal with SUGAM credentials. The profile of the user with information like name, address, address for communication, PAN No, telephone, mobile number for receiving alerts, e-mail address etc. should be captured.
- Design & Development, Enhancements, improvements/new features, and support to the Online NOC Approval System for Veterinary shall be provided. This shall facilitate Drug Manufacturing license, Drug Import license, Registration Certificate Issuance, and the related forms to all above said processes. The stakeholders that can use the software system are DAHD officials, CDSCO officials, ECAH Sub-Committee Members and the Applicant.
- For Veterinary, Online licensing system enables the drug manufacturers to apply for licenses for manufacturing of the import and/or field trial or for approval to manufacture a new drug/vaccine/strain or fixed dose combination or subsequent permission for already approved new drug.

1.1. Review

- All received applications may be sent to experts for review. The experts are identified for each broad by Officers. The Officers are members of DAHD who have expertise in specific broad areas. Hence the received applications are first sent to the Nodal Officers, who in turn identify the field experts, who then can review the applications.
- Each application can be sent to one or more experts who review the applications and send back their comments.
- The applications are further reviewed by committees with pre-decided members.

1.2 Home Page

- To access DAHD online portal URL is <https://www.nandi.gov.in>.
- When the user enters this URL, the home page appears as shown in figure givenbelow:

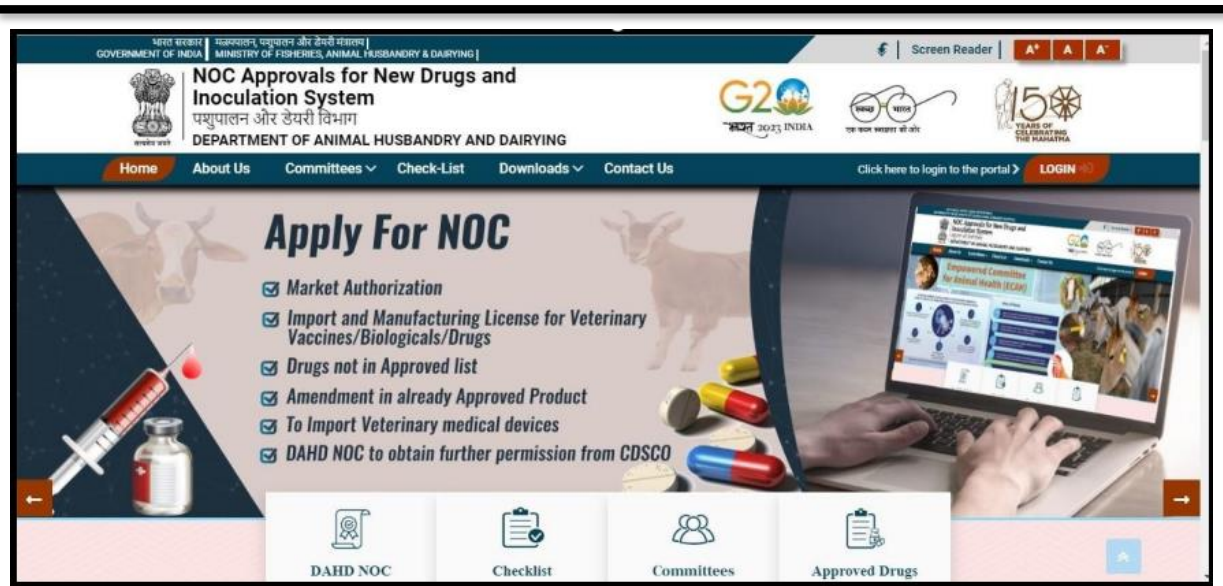

Figure 1: DAHD Homepage

1.3 Scheme Guidelines

- The scheme guidelines are classified into respective schemes as shown in figure givenbelow:

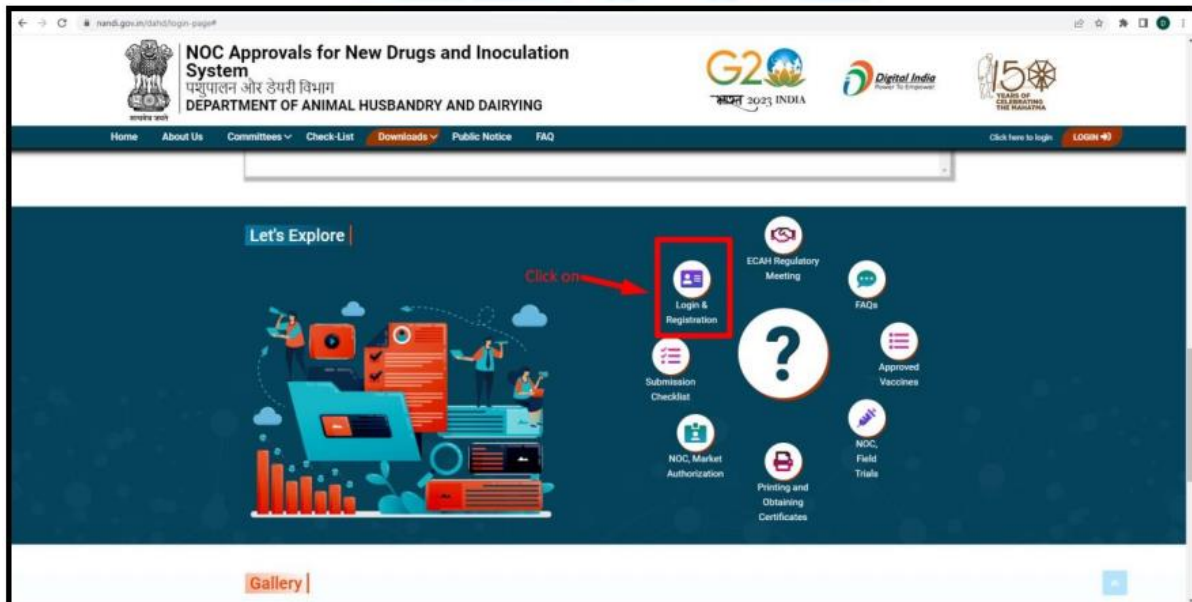

Figure 2: Scheme Guidelines

REGISTRATION & CENTER FOR DEVELOPMENT OF ADVANCED DAIRYING LOGIN PROCESS

2. Login & Registration

- By Click on the Login & Submission
- If the applicants are not registered on CDSCO portal so, they cannot login on DAHDportal.
- For the registration, please see [Scheme Guidelines](#) page

Figure 3: Registration Page

- The user will be redirected to the CDSCO portal after clicking the Sign-Up button, where they can register.
- These are the steps for registration on this portal.

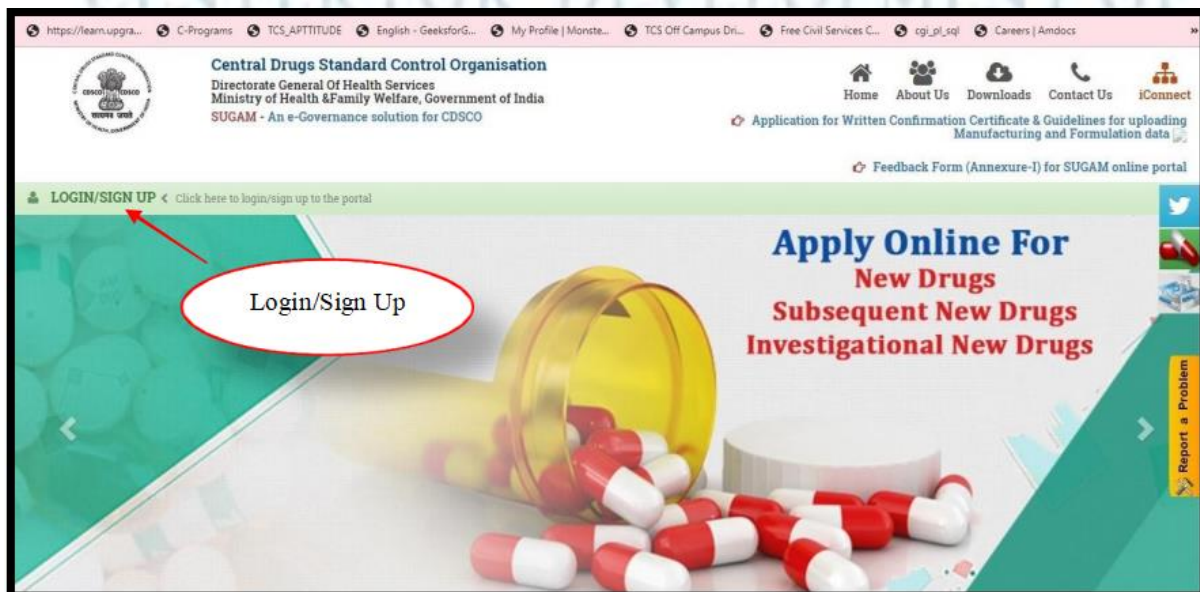

Figure 4 : CDSCO Homepage

- After selecting the **LOGIN/SIGN UP** option, select the **Sign Up Here** button if you are a new user.
- Existing users can log in directly by entering their username and password along with the captcha code and then entering the login button.

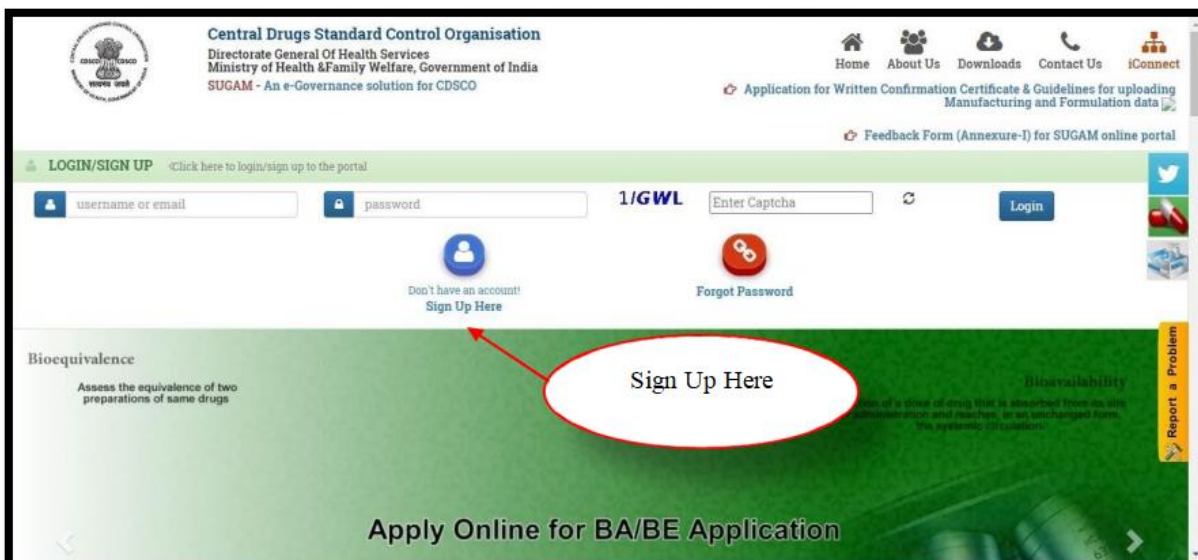

Figure 5: Login/Sign Up

- Please choose "**Registration purpose**" before pressing the "**Submit**" button.

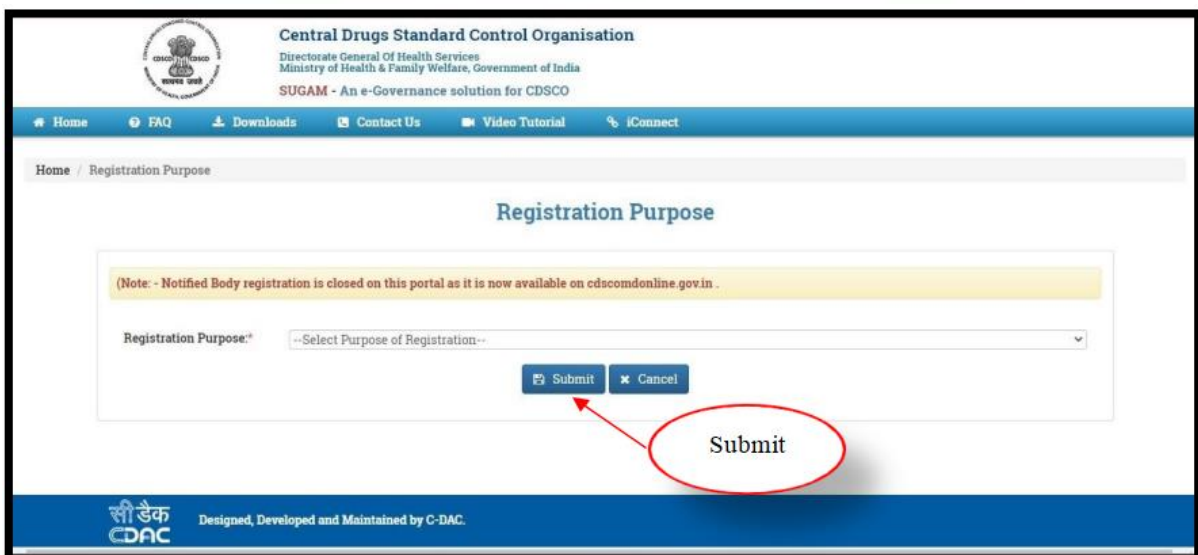

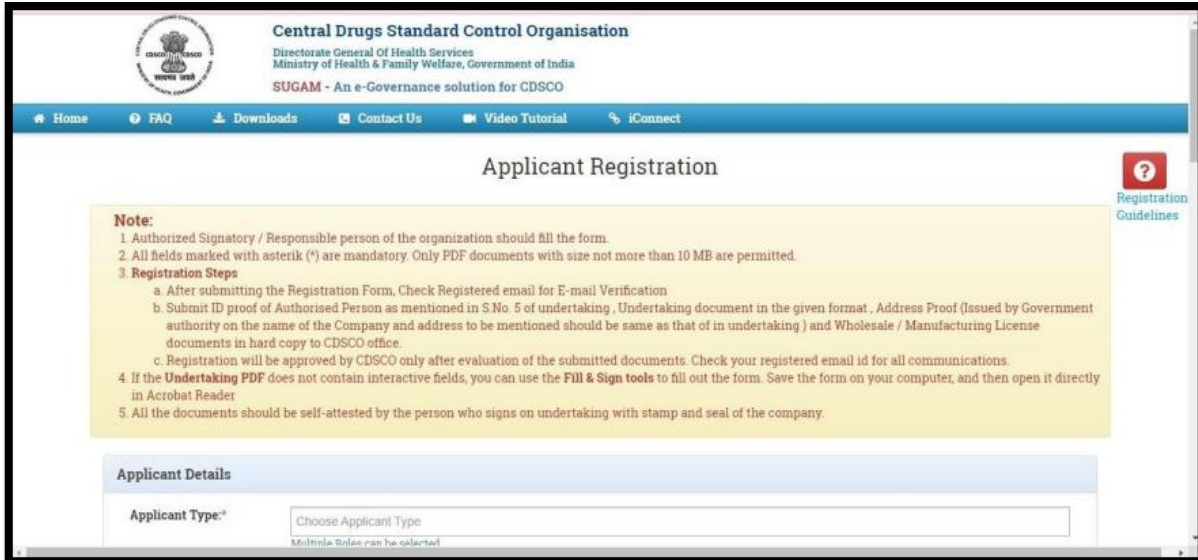

Figure 6: Registration Purpose

- After clicking on Submit button Applicant Registration form will appear then fill in all details and upload all required documents and then click on Submit button .

- After saved click to next button.

The screenshot shows a web application interface for 'NOC Approvals for New Drugs and Inoculation System'. The user is logged in as 'Nandakumar'. The main content area displays a form titled 'Application Id :220049' with the subject 'Excretion in milk in livestock/eggs in poultry'. Below the title, there is a prompt: 'Please fill the details to proceed further.' The form contains several input fields: 'Maximum residual effects in case of animal drug:' with a sub-field 'Maximum residual'; 'Firm /trader able to monitor the usage through retailers?:' with a 'Select' dropdown; 'Product is as per standards given in Indian Pharmacopeia-2018?:' with a 'No' dropdown; 'Utility of the product for the Indian animal health sector:' with a text input field 'Utility of the product'; 'Publications to support the claims on the product:' with a text input field 'Publications to support'; and 'Impact of drugs/vaccine on environment / human/animal:' with a text input field 'Impact of drugs'. At the bottom of the form are three buttons: 'Back', 'Save', and 'Next'.

Figure 24

- After saved click to next button.

The screenshot shows the final submission screen. It features a 'Quick Note to Final Submit:' section with the following text: 'Kindly download/Preview the view of your Application and check that the details and the necessary documents are correct to the best of your Knowledge. After Submission of the Application you will not be allowed any changes in your Application. DAHD will not be responsible for any of the discrepancies caused at your end. If any such things, is found, then it may lead to the Rejection of your Application.' Below this note are three buttons: 'Back', 'Preview', and 'PDF Download'. A red box highlights the 'Preview' and 'PDF Download' buttons. Below these buttons is a checkbox with the text 'I hereby declare that, to the best of my knowledge and belief ,the particular given above and the declaration made therein are true.' A red box highlights this checkbox. Below the checkbox is a red text instruction: '"To finally Submit the Application to Department of Animal Husbandry and Dairying click on final Submit button."' and a 'Final Submit' button, which is also highlighted with a red box. At the bottom of the page, it says 'Designed Developed and Maintained by सी डी डी सी भारत संगणन विकास केंद्र CENTRE FOR DEVELOPMENT OF ADVANCED COMPUTING'.
